Internship Coordinator  
ABC Non Profit Organization  
2599 Sample Street  
Albuquerque, NM 87131

Dear Mr. Smith,

I am writing to follow-up on the internship opportunity with ABC Non Profit. When we last spoke you mentioned that a final decision would be made at the end of July and I wanted to see if this is still a correct timetable.

As I have mentioned previously, I am very interested in an internship with your organization. Its mission, people and environment are a direct match for the type of work and professional experience I am seeking as an undergraduate student in psychology.

I will call you early next week to follow-up to this letter. If you would like to speak sooner, please do not hesitate to contact me at 284-9044 or through e-mail at gsample@unm.edu.

Thank You,

Gina Sample
