I authorize the staff of UNM Career Services to share information regarding my career assessments on a consultative basis within the department to better address my career needs or in the case of supervision of professional UNM Career Services staff members. I understand that information will be shared on a need only basis. Also, I understand that by signing I am allowing my resume and job search related profile information to be released to employers/recruiters.

I understand to be mindful of the ethical implications of my job search and agree to submit resumes to an employer only if genuinely interested in working for that organization. Further, I agree to arrive on time for any scheduled on-campus interview and understand that canceling interviews at the last minute or not showing up without having contacted UNM Career Services at least 24 hours prior to my scheduled interview reflects negatively on me, UNM Career Services, and the University of New Mexico. Therefore, if I don't adhere to these rules, I agree to be suspended from interviewing on campus until I have written a formal letter of apology to the employer and supplied UNM Career Services with a copy.
